Sanitiser stand XL

SF3 compatible

333000

PRODUCT DESCRIPTION

Especially for high-traffic areas: the robust and economical solution for hand hygiene in public spaces. The battery-operated sanitiser stand with sensor dispenser is supplied by the Satino by WEPA OEM 5-litre canister*. The RFID-tracked original Satino by WEPA canister enables simple checking of the fill level.

* Use biocidal products carefully. Always read the label and product information before use.
