

# Hygiene paper with double protection

100% safe to use

100% fast dissolving

# Reliable performance, one less thing to worry about: Satino Liquify

Whether at a festival, on a campsite or on public transport: Where sanitary facilities are heavily used or have no mains drainage, blocked pipes are a major challenge.

Satino Liquify offers the solution – fast-dissolving hygiene paper for sensitive infrastructure and high-traffic areas.

## Satino Liquify – the perfect solution for your branch, sector and needs

Travel and transport

Vacuum toilets and chemical toilets

Indoor and outdoor events

Sanitary facilities without a connection to the sewer system

Places with high visitor frequencies

Narrow or obsolete pipes

## Satino Liquify – the 200% hygiene paper

**100%**  
safe to use

**100%**  
fast dissolving

### Whether toilet paper or towel paper:

Satino Liquify means performance, functionality and safety – without compromising on quality and ease of use.

Satino Liquify hygiene papers disintegrate into very fine particles on contact with water

### Less cost, less effort – and more hygiene: Satino Liquify

- ✓ Proven, tested quality product from Satino
- ✓ Effectively and demonstrably minimises the risk of pipe blockages
- ✓ Significantly reduces the need for maintenance, repair and cleaning of sanitary facilities
- ✓ Permanently ensures the functionality of washrooms and sanitary facilities
- ✓ Improves hygiene

# Towel paper

## Format Z- & W-fold

PT2 Compatible

### Folded towel dispenser Interfold XL

The stylish and economical choice for lasting supply reliability and high visitor frequency.

→ With Satino mounting plate

Frequency/consumption				
Art. no. White	333408	Art. no. Black	333409	

# Towel paper

## Format V-fold

PT3 Compatible

reddot winner 2025

### Folded towel dispenser XL

Easy to use, economical – and the perfect choice for large numbers of visitors and frequent use. The sheet width and depth can be individually adjusted and the dispenser is suitable for V-fold and C-fold.

→ With Satino mounting plate

Frequency/consumption				
Art. no. White	333410	Art. no. Black	333411	

### Folded towel dispenser Interfold S

The ideal solution for smaller (wash)rooms with little space.

→ With Satino mounting plate

Frequency/consumption				
Art. no. White	333412	Art. no. Black	333413	

### Folded towel dispenser S

For low to medium visitor frequencies, but with the benefits of the large dispenser: likewise suitable for V-fold and C-fold.

→ With Satino mounting plate

Frequency/consumption				
Art. no. White	333402	Art. no. Black	333403	

# Towel paper

## Format C- & V-fold

PT3 Compatible

### Folded towel dispenser XS

The Satino folded towel dispenser XS with a practical filling level window: a great choice for smaller washrooms or low visitor frequencies – e.g. in doctors' surgeries, kitchens and classrooms. The maximum towel width is 25 cm.

Frequency/consumption				
Art. no. White	333428	Art. no. Black	333429	

# Toilet paper

## Small rolls

MT1 Compatible

### Double roll toilet paper dispenser

Satino – because two are better than one! The smart dispensing system for two rolls of toilet paper. The second roll is only released when the first is used up. The integrated roll brake reduces intentional unrolling and excessive paper consumption. New version with leftover roll function.

Frequency/consumption				
Art. no. White	333426	Art. no. Black	333427	

## Towel paper

### Format Z- & V-fold

**Tear-resistant, absorbent and reliable to use, and unbeatably safe even afterwards:**

Even if Satino Liquify paper towels are improperly disposed of in the toilet, they completely decompose on prolonged contact with water thanks to their special mix of raw materials.

**2-ply quality, FSC® Mix certified.**

Available as Z-fold in a box or as V-fold in a practical BagPack – for optimised storage and handling.

Compatible	Art. no.	Certification	Plies	Fold type	Sheet size	Colour	Embossing	Pack/sheets	PU	Pallet
Satino Liquify cellulose								Cardboard box

Satino Liquify cellulose								Plastic bag		
PT3	278070	FSC Mix	2	V-fold	24.0 x 21.0 cm	Bright white	Satino	25 x 150	4,032	48

## Toilet paper

### Small rolls

**Highly absorbent, pleasantly soft and as reliable as tried-and-tested recycled toilet paper, but superior due to its practical added value:** Satino Liquify toilet paper decomposes extremely quickly on contact with water thanks to its intelligent manufacturing process.

**2- or 3-ply. EU Ecolabel certified.**

Compatible	Art. no.	Certification	Plies	Rolls x sheets	Sheet size	Colour	Embossing	PU	Pallet
Satino Liquify recycled									
MT1	070560	EU-Ecolabel, Blue Angel	3	8 x 250	9.4 x 11.0 cm	Bright white	Waffle	8 x 8 Rolls	33
MT1	061600	EU-Ecolabel, Blue Angel	2	8 x 250	9.4 x 11.0 cm	White	Waffle	8 x 8 Rolls	33

## An inspiration for operators and users:

# Satino Liquify in practice

People expect up-to-date hygiene, whether camping or on a business trip. This is where Satino Liquify scores, and not only in terms of quality and comfort. By ensuring the functionality of sanitation facilities, it also ensures that hygiene standards, especially with toilets, are maintained, and the risk of soiling, vandalism and misuse is reduced.

**Tested and approved:**

# Satino Liquify under review

Satino Liquify has been extensively tested for application safety, dissolution behaviour and the reliable operation of sensitive pipe systems.\*

Test procedures that have been successfully validated:

- Toilet and Drain Safety Test (Standard: FG501)
- Floating Chamber Disintegration Test (Standard: FG502)
- Domestic Pump Test (Standard: FG503)
- Settling Test (Standard: FG504)
- Biological degradation test with oxygen (Standard: FG505A)
- Biological degradation test without oxygen (Standard: FG506A)
- Municipal wastewater pump test (Standard: FG507)

**Vacuum toilet test**

- Measurement of decay (Standard: NF Q34-020)

\* Tested by the Centre Technique du Papier (Grenoble), a manufacturer of vacuum pumps, and in the WEPA laboratory.

# WEPA Professional

**WEPA Professional is a hygiene specialist operating across Europe specialising in comprehensive washroom solutions.**

With the Satino brand, the company specifically targets the needs of businesses and public institutions. The portfolio ranges from hygiene paper and soaps to disinfectant solutions, smart dispenser systems, air fresheners, as well as matching accessories and complementary services. All products and systems are designed to make hygiene safe, convenient and intuitive – whilst meeting the highest standards of quality, cost-effectiveness and sustainability. This results in modern washroom concepts that combine functionality with responsibility. As part of the WEPA Group, WEPA Professional is one of Europe's leading manufacturers of hygiene paper. The group, headquartered in Arnsberg (North Rhine-Westphalia), is one of the three largest hygiene paper manufacturers in Europe and is the market leader in the production of hygiene paper made from recycled fibres.
