AWARD

01

Easy operation

Designed for simple and intuitive use by users, maintenance personnel, and installers.

02

Sustainability

Sustainably designed for high durability and more efficient dosing, conserving valuable resources.

03

Hygiene

Developed in collaboration with microbiologists to ensure a high level of safe hygiene.

04

Intuitive design

One of Europe's most aesthetically appealing designs, created to enhance any washroom.

All hygiene solutions in detail.
