

# Satino FemCare Bio Pads

**Natural protection – safe, gentle and sustainable.**

Satino FemCare Bio Pads feature a surface made from 100% certified organic cotton – for a safe and pleasantly soft wearing experience. So thin you can hardly feel them, yet so reliable they offer up to 100% leak protection.

Produced using 100% certified organic cotton from responsible farming, free from pesticides and glyphosate.

**Free from animal testing and animal-derived ingredients**

**Pesticide-free – no harmful residues**

**Dermatologically tested – rated “very good”**

**Manufactured in Germany**
