

Satino HiLine Premium Cleaning Rolls

High-quality performance for professional applications

From machine maintenance to food production – cleaning rolls are a reliable companion for a wide range of cleaning tasks. The redesigned Satino HiLine cleaning rolls impress with **improved water absorption and reduced dust formation**.

With **43% greater strength**, Satino HiLine cleaning rolls now perform longer, more safely and provide more efficiency. Less consumption, longer use – and professional results in every application.

The improvements at a glance:

- ✓ **Top absorption performance:**
Liquids and oils are quickly absorbed.
15% more water absorption compared to previous rolls
- ✓ **Low dust:**
Fewer particles, improved hygiene safety
- ✓ **Colour and shape stability:**
Strong blue colour without bleeding
- ✓ **Perfect handling:**
Optimised perforation for clean tearing
- ✓ **Efficient industrial format:**
Improved length for fewer roll changes
- ✓ **EU Ecolabel certified**
- ✓ **Certified for short-term direct contact with food**
